Treasury/Hash Cash:

S&M&M&M and Did'ya Bite My Penis, being backed up by Leave It To Beaver, took over the hash cash towards the end of January 2008. Sextortionist turned over a cashier's check to Cavity Search for \$679.92. \$200.00 was loaned to the 1000th hash committee for securing the venue for that event. There is currently \$434.00 in the hash cash bag. A total accounted for at this point in hash cash is \$1,313.92.

Haberdashery Report:

Executive Spread took over the Haberdashery towards the end of January 2008. She reported that there is now \$491.84 in the haberdashery.

New business:

- Pick-Up Hash:

Because there was a mistake in the actual count towards the 1000th hash, the next four pick-up hashes just prior to Mis-Management will count for attendance.

- Hash de Tucson On-Afters:

On-afters for Hash de Tucson will either be at New Car Smell's house, or Did'ya Bite My Penis' house, which will be determined at a later date.

- Meeting for 1000th Hash:

There needs to be a planning meeting for the 1000th Hash, date and time to be determined.

- Hares for Ultra Hash (1000th Hash):

Cavity will hare the ultra hash, but now needs a second hare. Seeking assistance.

- Bank Account and Post Office Box:

Cavity Search suggested the hash consider opening a bank account for hash cash funds. He also suggested opening a Post Office Box for regos for future events. There was discussion on both subjects; however, both were tabled until the next meeting. Cavity Search agreed to look into the possibility of opening a bank account and Leave It To Beaver agreed to look into the possibility of opening a Post Office Box through Mail Boxes Etc. or other postal business.
