2) Hash de Tucson:

- Will be on Nov. 7 (including on-line votes: 17 votes for, 3 against )
- Party will be at Dr. Whacksalotte's casa!
- Carbon Date Me and Joystick Cowboy will organize the food!
- Doggy Style will look into getting shirts - possibly technical shirts. It was suggested that shirts available only to those who request them with their registration so you don't have to pay for one if you don't want one.
- Neutered will design tags
- We have hares for all 4 Saturday hashes but we still need:
  - Hares for the Friday pub crawl,
  - Hares for the Sunday hang-over hash,
  - Someone, possibly with experience in organizing these kinds of events, who is willing to head - wsh! - the organizing committee.
  - More wanks for the committee,
  - Someone to set up regos, someone to collect regos,
  - Drivers for the shuttle to the starts and the beer wagon, let me know if you want to help out.

3) 'Better' beer:

- If you can't find your favorite beer in the coolers, of course, first bitch to the Beer Meisters.
- If you see a good deal on some brew you like let Joystick Cowboy ([jimcriswagner@comcast.net](mailto:jimcriswagner@comcast.net)) know. It should be fairly cheap and preferably in cans.
- We are going to bring back the high class wine in a box. Examine Me - I hope you get the hint!
  - If you're into sodas: please let Joystick know what's your favorite. We have some stuff rotting in the coolers.

4) Since our religious advisor, Royal Flush, is honoring the long held jHavelina RA tradition of missing in action for extended periods we created a new office: the BRA! (Back-up religious advisor). We're proud to announce our first BRA: Klitty Litter! Well earned and who would be better qualified to 'fill' that position?!

FYI: Royal is on an inspirational trip to the 'coffee'-shops of Amsterdam and sampling Morocco's finest 'teas' which should make for some good sermons...

5) next week's hash (Saturday, Aug. 1) will be a \$6 hash (pretty much unanimous).

On-On,  
Bavarian
