#### Discussion:

1. Hashing time will change from 5:00 pm to 3:00 pm this Saturday, September 13.
2. Haberdashery was turned-over to Casual Friday and Pick N Flick with \$69.69 given for change," recorded by Hovercrap (Hash Cash).
3. PMS hash this Saturday, Sept. 13 confirmed at \$6.00.
4. Hovercrap reported Hash Cash at \$571.58 last month, \$812.68 this month.
5. Hovercrap reported Arthur Gash, Bavarian Crème and Sea Spank with perfect attendance of hash runs for the month of August.
6. Flying Booger requested Arthur, Bavarian and Sea Spank get a life, majority voted in favor of Booger's request.
7. Hovercrap requested a "freebee gift" or one hash free-of-charge be given to those wankers with a month's-worth of perfect attendance. Majority voted to try this idea for the month of September.
8. Studmuffin requested a "punch card" be used to pre-pay for hash runs offering a discount. Idea was tabled for further discussion at a later mismanagement meeting.
9. Creamy noted a new water cooler is needed; the current one is falling apart. Pie directed hash cash to pay for it.
10. Full Moon will be merging with Mr. Happy's hash this Wednesday, Sept. 10 using Jhavelina hares and start location.
11. Studmuffin proposed a special event for Jhavelina wankers, not to conflict with regular Jhavelina runs and the PISS hash. Details of event will be discussed at next mismanagement meeting.
12. Hash De Tucson food potluck was voted down. Pick N Flick, being the head of the food committee for the Hash De Tucson, will meet with her committee to work out the catering details.
13. Hovercrap suggested once a month at a hash run to hold a "How to mark trail" school. R.A. was volunteered for such school in absentia.
14. Studmuffin requested new names and renames not to be outrageously offensive. Majority of the group agreed, however no proposal on how to carry that out at namings was offered.
15. Repossess Me requested hares have the rights to demand "no blow" areas on trail, as well as "no graphic" areas on trail. This means at such marked places on trail the hare will write "no graphics" and the pack must use only initials with pack arrows in that area. The hare must mark the end of "no blow" and "no graphic" areas with "end no blow" or "end no graphics."
16. Flying Booger and Zamboner made a plea for mature behavior on trail on behalf of the pack, to avoid "sticky situations" with residents, security guards, etc. Majority voted in favor, no solution was proposed.
17. Pie Diver noted that hares are needed for many future runs.
18. Pick N Flick noted there is no official "Hare-raiser."
19. Next month's mismanagement meeting will be held at Olive R Twist on Speedway.
20. Haberdashery will be taking orders for nametags very soon. Group email will go out with details.
21. Arthur Gash and Flying Booger noted there is no link on the [www.hashingtucson.com](http://www.hashingtucson.com) website

to sign up for the Jhavelina group email list (jhavelinaH3@yahoogroups.com), only for the hareline list. Request the webmistress (Charlotte the Harlot) add the link to the site.  
22. Hovercrap will share idea for a hash general t-shirt with Haberdashery, then to be voted on at a later mismanagement.

Meeting adjourned 6:05 PM.
