1) hash cash: 753\$.

hash cash has been declining due to 6\$ hashes (see explanation below) and the non-profit food bank hash.

2) the food bank hash took in 81\$ in donations and many cans of food.

3) we plan to get a keg of Coors Light and one of Tecate for the HdT saturday hashes. if you have a different preference let joystick cowboy (jimcriswagner@comcast.net) know.

4) Leave it to Beaver was 'volunteered' to oversee the planning of the HdT. for questions regarding organisation/accounting of the event please contact her (darter@theriver.com).

5) Halloween will be a 6\$ hash. start at the usual time: 4pm. Hare is Klitty Litter. the theme is 'dress like your favorite k'litty'.

6) 69-mugs are coming some time 'soon'. they will be the rather cheap plastic mugs we had before. if you want one of the fancy wooden mugs please check out the haberdashery section of Hash Space or let Klitty know (jezabell@earthlink.net). if we get a number of requests together we might have haberdashery order a bunch.

on a 6\$ hash with 40 attendees hash cash takes in $34 \times 6\$ = 204\$$. (34, since hares and beermeister go free and haberdashery and snack-meister pay 3\$). hares get 3\$ for everyone who shows up: $40 \times 6\$ = 120\$$. leaves: 84\$.

on a 5\$ hash hash cash takes in $34 \times 5\$ = 170\$$. hares get 20\$ for beer checks. leaves: 150\$.
