Considering how many people were out of town I think the Mis-Management turnout was great. Hopefully next month will be a huge turnout, especially since we have a few major topics to vote on. Remember if you want your vote to count you must be present at Mis-Management. If you can't make Mis-Management and want something brought up send me an email and I'll bring it up, but no one can vote for you. If you are not there then you don't get to hear all the information relayed back and forth and your vote could change, so you must be there for your vote to count.

### Items Discussed:

Haberdashery Report  
Treasury Report  
2007 Hash de Tucson  
- Volunteers  
New Hash Start Time  
Bug Spray  
Temporary Beer Angel  
Pack Signs/Marking Trail and Blowing Whistles

### Haberdashery Report:

Penis Colada has stepped down as the Haberdasher. R-U My Daddy has volunteered to take it over and appears to be very enthusiastic about it. Penis Colada was not at Mis-Management so we can only assume that there is still around \$300.00 in the Haberdashery. We will have better information count at the next Mis-Management. Thank you R-U My Daddy.

### Treasury Report:

There is still a little over \$3,000.00 in the Hash Cash. Not to worry though the surprise unannounced Hash Party is coming up sometime within the next month. Make sure to show for the Hashes so you don't miss out.

Also the Hash Cash is going to alleviate some of the expense of the Hash De Tucson.

2007 Hash de Tucson:

The date for up-coming Hash de Tucson is set for October 26th, 27th and 28th.

Refer to the attachment or the hash web-site for complete details. It looks like it is going to be a lot of fun with a good turn out.

Note: All Checks for the Hash de Tucson need to be "Payable to" Lorey Pro.

As a reminder, the prepay cutoff date is October 15th, 2007. After the 15th, you will not have your name on the T-Shirt.

- Volunteers:

Leave it to Beaver volunteered to head up the Food Committee for the upcoming Hash De Tucson. Several people have signed up to assist her, but she may still need more help. Anyone interested in helping her out, please email her at [dart@theriver.com](mailto:dart@theriver.com). Thank you Beaver and all of the people who have signed up to assist you.

I Love Fat Chicks and R-U My Daddy have both volunteered to be Beer Angel/Shuttle Drivers. Anyone else interested please let me know. Thank you I Love Fat Chicks and R-U My Daddy for your participation as well.

New Hash Start Time:

Starting September 15th, 2007, the arrival time for the Hash will be at 4PM (1600 for you military wanks). Hares away by 4:15PM.

Bug Spray:

Since we have had a very wet summer and a large amount of Mosquitoes and/or other bugs come out, Riding Zamboner has volunteered to pickup bug spray for all who might needed it. She will of course be paid back through the Hash Cash.

Temporary Beer Angel:

Did-ja Bite My Penis has volunteered to temporarily take over the duties of Beer Angel, while Cock Jaw attends to his job. Thank you Penis.

Pack Signs/Marking Trail and Blowing Whistles:

This is a reprint from last Mis-Management...

There has been a recent increase in front runners not marking trail and/or blowing their whistles. The people following the front-runners, especially the ones at the back of the pack, would really appreciate better trail marking and blowing of the whistles.

On that note I have to say...I don't know why this has become such a difficult thing for some of the front-runners to do. I realize that running itself is an individual sport, but running with the hash is more

of a team effort to make sure everyone gets to the finish at about the same time. Let's help each other out and mark trail.

The next Mis-Management is tentatively at the Greens. It will be on Sunday, October 7th, at 5 PM. Pick-up hash will start at 4PM.

May the Hash go in Peace and may the Hash get a Piece.
